RECOMMENDATIONS REGARDING 2010/2011 GRANT AWARDS FOR CULTURAL SERVICES

SUBJECT

The Organizational Grant Program contracts with arts organizations across the County to provide art services. Grants for concerts, theatre and productions, exhibitions, in-school and out-of-school arts education and core operations help these organizations enrich the lives of County residents.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve the recommendations of the Arts Commission for Fiscal Year 2010/2011 Organizational Grant Program to 166 nonprofit arts organizations at a cost of \$3,831,000.
2. Instruct the Arts Commission Executive Director to prepare, sign and execute these contracts after County Counsel approves as to form.
3. Delegate authority to the Arts Commission to reallocate forfeited grant awards, not to exceed \$100,000 in aggregate, to existing Board-approved grantee organizations and instruct the Arts Commission Executive Director to amend these contracts accordingly.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of this recommended action is to disburse grant funds allocated by your Board. This is annual implementation of the Organizational Grant Program (OGP). All organizations apply for two years of consecutive funding and all award amounts are for two years.

Organizational Grant Program I/Small Budget Organizations

The Small Organization Grant Program funds artistic or administrative advancement projects for nonprofit arts organizations with budgets under \$100,000 and two years of producing history. Applicants may request grants for projects up to 15% of their annual operating budgets each year, with a minimum request amount of \$2,850/year. OGP I grant funds will be disbursed to 71 nonprofit arts organizations (see Attachment Pg. 1-3) at a cost of \$709,200.

Organizational Grant Program II/Mid-Size Budget Organizations

The first tier of the Mid-Size Organization Grant Program funds artistic or administrative sustainability projects. This category focuses on organizational support and development. Funding is provided for nonprofit arts organizations with budgets between \$100,000 and \$500,000. Applicants may request grants up to 6% of their annual operating budgets each year with a minimum request of \$10,500/year. OGP II grant funds will be disbursed to 53 nonprofit arts organizations (see Attachment Pg. 4-6) at a cost of \$858,200.

Organizational Grant Program 2.5/Mid-Size Budget Organizations

The second tier of the Mid-Size Organization Grant Program funds artistic capacity for nonprofit arts organizations with budgets between \$500,000 and \$1.5 million. Applicants may request grants up to 4% of their annual operating budgets each year with a minimum request of \$17,500/year. OGP 2.5 grant funds will be disbursed to 23 nonprofit arts organizations (see Attachment Pg. 7-8) at a cost of \$867,100.

Organizational Grant Program III/Large Budget Organizations

The Large Organization Grant Program funds annual support to nonprofit arts organizations with budgets over \$1.5 million, including major Los Angeles County institutions, to ensure accessibility. The focus is on programs that increase access to cultural services for County residents. Applicants may request grants up to 0.5% to 2% of their annual operating budgets each year with a minimum request of \$35,000/year. OGP III grant funds will be disbursed to 19 nonprofit arts organizations (see Attachment Pg. 9) at a cost of \$1,396,500.

The Arts Commission utilized discipline peer panels to review and score all applications and to make recommendations to the Arts Commissioners. The Arts Commissioners reviewed these scores and are submitting funding recommendations to your Board for approval.

Grants amounts are awarded utilizing a formula adopted by the Arts Commission. Awards are based upon the organization's budget size, which determines the request allowable under the guidelines. A percent of the request is then awarded based upon the score assigned it by the discipline peer panel and the Arts Commissioners. Scores are determined by evaluating the organization's artistic quality and accomplishments, quality of standards-based K-12 arts education services (if applicable), services to community/audience, evaluation methodology, and fiscal and administrative competence.

Upon notification of a forfeited OGP grant award, the Arts Commission will reallocate the forfeited funds to existing Board-approved grantee organizations. The reallocation will be approved by the Arts Commissioners. Following such action, the Executive Director will notify your Board of the Commission-approved allocation of forfeited funds on a semi-annual basis.

Please note that since funding is over two-years, organizations that receive grants apply every other year. For your information, attached is a list of grants that were made last fiscal year (Attachment Pg. 10-15) to provide you with full perspective of all arts and cultural organization that are supported through this program. A total of \$4,418,000 was allocated in 2009/2010 as follows: 52 organizations received funding in the OGP I/Small Budget category; 66 organizations received funding in the OGP II/Mid-Size Budget category; 21 organizations received funding in the OGP 2.5/Mid-Size Budget category; and 14 organizations received funding in the OGP III/Large Budget category.

Implementation of Strategic Plan Goals

The recommended action is consistent with the County Strategic Plan Goal 3 for Community and Municipal Services, as the proposed organization's contracts will "enrich the lives of Los Angeles County's residents and visitors by providing access to cultural, recreational and lifelong learning programs."

FISCAL IMPACT/FINANCING

The current allocation of \$3,831,000 for FY2010/11 does not include the \$288,000 whose programmatic allocation has not yet been determined by your board. The allocation of \$3,831,000 represents a 15.6% reduction in funding for these organizations from the funds allocated in FY2008/09.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The County is authorized to contract with any firm or corporation for artistic services for the residents of Los Angeles County. The contractor will be governed by the policy and guideline requirements of the Arts Commission.

CONTRACTING PROCESS

The County will pay to Contractor, in consideration of services to be performed and fulfillment of matching requirements, a specific grant award sum (see Attachment Pg. 1-9).

IMPACT ON CURRENT SERVICES (OR PROJECTS)

This program insures that a wide variety of cultural services will continue to reach County residents in a timely manner. In addition, 90, or 54%, of 166 FY2010/11 OGP organizations have applied for funding to pay for staff salaries or job creation. This would positively impact the residents of Los Angeles County through increased job opportunities.

The Honorable Board of Supervisors
